## ISTRUZIONI PER L'USO

ESCALATORS GET DIRTY,  
ESCATEQ MAKES CLEANING THEM EASY

**1**

Block the running escalator opposite to the side you are cleaning.

**2**

Mix solution 10 parts water, to 1 part Clean-TEQ.

**3**

Pour the diluted solution into the trough. Do not overfill!

**4**

Mount pad to device.

**5**

Allow the cleaning pad to absorb the solution.

**6**

Place the device onto the moving treads, allow it to align with the combs and drop into place.

**7**

Tilt the device back and then forward, to help it align with the tread groves.

**8**

Hold the device in place with light downward pressure.

**9**

Remove the dirty pad carefully.

**10**

Rinse pads using moderate water pressure.

**11**

Replace pads when they become damaged or worn.

**12**

Dry & re-use pads.

ESCALATOR CLEANING FREQUENCY	Traffic	Location	Recommendation
↑↑↑ HIGH	↑↑↑ HIGH	Airports & Subways	Daily
↑↑ MEDIUM	↑↑ MEDIUM	Shopping Malls & Casinos	Bi-Weekly (twice a week)
↑ LOW	↑ LOW	Hotels & Office Buildings	Weekly

Important: Keep fingers, loose clothing, shoe laces, hair, jewelry etc. away from the device and the escalator treads during use. Do not stand or step on the device while it is in operation. The escalator must be dry before allowing passengers back on.

## VEDI COSTO DI UTILIZZO

**Cleaning your escalators over 100 times per year with Tread-TEQ can cost less than having them cleaned once a year by an outsourced escalator cleaning company!**

	<b>Once a week</b> 52 cleanings per year	<b>Twice a week</b> 104 cleanings per year	<b>Every day</b> 365 cleanings per year
<b>Cost per Cleaning</b>	€ 9.21	€ 7.39	€ 5.99
<b>Annual Cost</b>	€ 478.92	€ 768.56	€ 2,186.35

IMPORTANT: See calculations and disclaimer page for more details. Calculations portrayed are all estimates. An outsourced annual restorative cleaning cost of €1200.00 was used for this comparison, your costs may vary. Estimates portrayed are based on a 1000mm escalator. 800mm and 600mm escalators will cost less.
